

# Malla Reddy Medical College for Women

## Clinical Publications

### Department of General Medicine -Publications

S No	Name	Designation	Topic	Journal name	Year
1	Dr Leelabathi Toppo	Professor	Clinico-hematological profile of Rental diseae in falciparum : A study in a tertiary care unit	International journal of contemporary medicine, surgery & radiology	2020
			Burden and triggering factors of migraine with and without aura: A study in a tertiary care centre	International journal of contemporary medicine, surgery & radiology	2020
2	Dr M Ravi kumar	Professor	Association between glycosylated haemoglobin and serum lipid profile in patients with type 2 diabetes mellitus	Scholars journal of applied medical sciences	2020
			Drug utilization pattern of antihypertensive drugs at tertiary care teaching hospital	The Illinois Assessment of Readiness journal of medical sciences	2020
3	Dr. Nithya Chandra	Professor	Study Of Spectrum Of renal Disease in Falciparum Malaria	International Journal Of Contemporary Medical Research	2015
			Etiological, Clinical and Metabolic profile of Non- Familial Hypokalemic Paralysis- A study in a tertiary Care Centre	Annals of International Medical and Dental research	2015
			Burden and triggering factors of migraine with and without aura: A study in a tertiary care centre	International journal of contemporary medicine, surgery & radiology	2021
			Effectivity Of Neoadjvant Chemotherapy on Locally advanced carcinoma of breast : A Prospective study	International journal of contemporary medicine, surgery & radiology	2021
4	Dr Jaya Kumar Palepu	Assoc Prof	Study of lipid Profile and lipid peroxidation in chronic kidney disease patients on Dialysis	International Journal of Health and Clinical Research	7/9/2021
			A Study of Relation of Hemoglobin A1c to Left Ventricular Diastolic Function in Patients with Type 1 Diabetes mellitus and without Over Heart Disease	International Journal of Health and Clinical Research	7/2/2021
5	Dr Swathi P	Asst Prof	Clinico-hematological profile of Rental diseae in falciparum : A study in a tertiary care unit	International journal of contemporary medicine, surgery & radiology	2020

S No	Name	Designation	Topic	Journal name	Year
<b>Department of General Surgery-Publications</b>					
6	Dr. Sonty Venkata Mahesh	Professor	A Study On Mass In Abdomen In Right Iliac Fossa In Day To Day Surgical Practice At Government General Hospital, Warangal, Telengana	Malla Reddy Medical College for Women Journal of Medical Sciences	Jul-Dec 2018
			Clinical study of perforations among patients at a tertiary care hospital	International Surgery Journal	26.07.2018
			Outcome of surgeries for non-traumatic hollow viscous perforations	International Surgery Journal	27.06.2018
7	Dr Abdul Ghader BM	Professor	Open versus primary repair following hemorrhoidectomy for Grade III hemorrhoids: a prospective comparative study	International Surgery Journal	05.09.2018
7	Dr. Raveender Nagaraju	Professor	A Study on Intestinal Obstruction	Annals of International Medical and Dental research	Mar-19
8	Dr. K Sudhakara Rao	Professor	Management of Intraabdominal Compartment syndrome secondary to anticoagulation induced retroperitoneal haemorrhage after aorto-Bifemoral grafting	International journal of contemporary medical research	2017
			Surgical Management of retrosternal goitre - A Single surgeon experience in 30 years	International Journal of science and Research	2020
			Rupture sinus of valsalva - Surgical management - Single surgeon Experience in 30 years	International Journal of science and Research	2020
			Arterial Injuries in children with supracondylar fracture of the humerus - Our Institutional experience	International Journal of science and Research	2021
8	Dr P Kiran Kumar	Assoc Prof	Risk factors of acute and perforated appendicitis in a semi-rural population: a retrospective study	International Surgery Journal	04.06.2018
			Risk factors for the conversion of laparoscopic to open cholecystectomy	International Surgery Journal	04.06.2018

S No	Name	Designation	Topic	Journal name	Year
9	Dr Ch.B.L Prasad	Assoc Prof	Flap Closure for gluteal pilonidal sinus - Is it an economically viable Option	JOURNAL OF EVIDENCE BASED MEDICINE AND HEALTHCARE	2017
			Glat adrenal incidentaloma - reporting A Rare case	JOURNAL OF EVIDENCE BASED MEDICINE AND HEALTHCARE	2017
			Riedil's thyroiditis presenting as large retropharyngeal goiter - A rare case	Asian Pacific journal of health sciences	2018
			Comparative Study of laparoscopic assisted appendectomy and open appendectomy	INTERNATIONAL JOURNAL OF SCIENTIFIC STUDY	2021
			"Study of Complications following Thyroidectomy for benign Thyroid Diseases"	INTERNATIONAL JOURNAL OF SCIENTIFIC STUDY	2021
10	Dr. rajesh jasti	Assoc Prof	Study Of Post Surgical Site of abdominal infections in Andhra pradesh population	International Journal of Contemporary Surgery	2019
			Study of Hernias of anterior abdominal wall of Andhra pradesh	INTERNATIONAL JOURNAL OF SCIENTIFIC STUDY	2019
			Comparative Study of laparoscopic assisted appendectomy and open appendectomy	INTERNATIONAL JOURNAL OF SCIENTIFIC STUDY	2021
			"Study of Complications following Thyroidectomy for benign Thyroid Diseases"	INTERNATIONAL JOURNAL OF SCIENTIFIC STUDY	2021
10	Dr V Maruti Sankar Reddy	Asst Prof	Comparative study of prolene hernia system versus trans abdominal pre-peritoneal mesh repair (TAPP) in primary and recurrent inguinal hernias	Medplus international journal of sugery	2019
11	Dr J Chaitanya	Asst Prof	A Study On Mass In Abdomen In Right Iliac Fossa In Day To Day Surgical Practice At Government General Hospital, Warangal, Telengana	Malla Reddy Medical College for Women Journal of Medical Sciences	Jul-Dec 2018

S No	Name	Designation	Topic	Journal name	Year
<b>Department of OBGY-Publications</b>					
12	Dr H anupama	Prof & HOD	A Surgical emergency in adolescent girl - concurrent imperforate hymen and high transverse vaginal septum with tense hematocolpos	Malla Reddy Medical college for women journal of medical sciences	2018
			Consensus scientific statement on advisory working guidelines and recommendations for the female population in COVID-19 era by wincars	Indian journal of cardiosular disease in women wincars	2020
			Review of recommendations for gynecology practice during COVID-19 pandemic		2020
			Recommendations for gynecological endoscopic surgery during COVID-19 pandemic		2020
13	Dr L Pranathi	Professor	Metformin Vs Insulin for treatment of gestational diabetes - A Randomized clinical Trial	International journal of medical sciences and clinical invention	Jan-18
			Comparative study of non - decent vaginal hysterectomy with abdominal hysterectomy	Indian Journal of Obstetrics and gynaecology research	17.01.2018
14	Dr. Sreelakshmi U	Assoc Prof	Impact of oligohydramnios on maternal and perinatal outcome: a comparative study	International Journal of reproduction contraception, obstetrics and gynaecology	26.06.2018
			Impact of dietary and lifestyle choices on menstrual patterns in medical students	International Journal of reproduction contraception, obstetrics and gynaecology	25.02.2019

S No	Name	Designation	Topic	Journal name	Year
<b>Department of Orthopaedics-Publications</b>					
15	Dr Mohammad Azmoddin	Professor	Radiological assessment of total hip arthroplasty in displaced neck of femur fracture : An observational study	International Journal of Orthopaedics Sciences	2021
			Conservative versus surgical treatment of Gartland type 2 supracondylar humeral fractures : observational study	Indian Journal of Basic and Applied Medical Research	2019
16	Shaik Ajaz	Professor	Study of surgical management by internal fixation of distal tibia fractures	International Journal of Orthopaedics Sciences	2019
			Study of the principles of Ponseti technique in the management of idiopathic congenital talipes equinovarus	International Journal of Orthopaedics Sciences	17.03.2018
17	Dr B Venumadhav	Assoc Prof	A Comparison of functional outcome between interferences screw and endobutton fixation on femur in arthroscopic anterior cruciate ligament reconstruction	MRIMS Journal of health sciences	17.04.2018
			Analysis of the functional outcome of patients with recurrent dislocation patella treated with arthroscopic lateral retinacular release, a prospective study	MRIMS Journal of health sciences	17.04.2018
18	Dr A Siva Kesavulu	Assoc Prof	A Comparison of functional outcome between interferences screw and endobutton fixation on femur in arthroscopic anterior cruciate ligament reconstruction	MRIMS Journal of health sciences	17.04.2018
			Analysis of the functional outcome of patients with recurrent dislocation patella treated with arthroscopic lateral retinacular release, a prospective study	MRIMS Journal of health sciences	17.04.2018

S No	Name	Designation	Topic	Journal name	Year
<b>Department of Paediatrics-Publications</b>					
19	Dr M Pradeep Reddy	Professor	Thyroid Hormone Levels in Neonatal Hyperbilirubinemia	Journal of Evolution of Medical and Dental Sciences	09.07.2018
			Clinical Laboratory and Radiological profile of dengue among pediatric patients admitted in tertiary care hospital	Indian journal of community medicine and Public Health	24.04.2018
			Pediatric Autopsy-Does it yields valuable information	Medplus Interanational Journal of Paediatrics	10.04.2018
			Physical Health Status and Health seeking behaviour of tribal adolescent girls: A cross sectional study	Indian journal of public health research & development	07.01.2019
40	Dr. Sailendra Kumar Y	Professor	Incidence and etiology of thyriod disorders in children	International journal of contemporary Paediatrics	2016
			Prevalence Of anemia and its etiology : A study in a semi urban area	International Journal of Pediatric research	2016
			Recurrent Abdominal pain in children attending paediatrics OPD	Asian Journal Of clinical padiatrics and Neonatology	2018
			Hypoglycemic profile of breastfeed low birth weight neonates	Asian Journal Of clinical padiatrics and Neonatology	2021
20	Dr M Padmavathi	Asst Prof	Study on etiological profile of respiratory distress in new borns in a teaching hospital	International journal of contemporary Paediatrics	29.01.2019
			Study of clinical and hematological profile in children with dengue fever in a teaching hospital in Telangana	International Journal of Pediatric research	31.01.2019

S No	Name	Designation	Topic	Journal name	Year
<b>Department of Ophthalmology-Publications</b>					
21	Dr Sikander Ali khan	Prof & HOD	Revised Technique of four-point scleral fixated intraocular lens: visual outcomes and complications	Ophthalmology Research: A n International Journal	14.02.2018
			Comparison of intravitreal triamcinolone and posterior subtenon triamcinolone in diffuse diabetic macular edema	Indian Journal of Clinical and Experimental Ophthalmology	2018
			Macular Thickness Evaluation in Different Grades of Myopia - A Spectral Domain Optical Coherence Tomography Study	EC OPHTHALMOLOGY	13.03.2018
			Baseline Characteristics and Risk Factors for Retinal Vein Occlusions	Malla Reddy Medical College for Women Journal of Medical Sciences	Jan- June 2018
			Vogt-konayagi- Harada disease: A Case Report	Malla Reddy Medical College for Women Journal of Medical Sciences	Jan-June 2019
22	Dr Rasna Sharma Chawla	Assoc Prof	Nd:YAG in the Treatment of Posterior Capsular Opacification: A study in A Tertiary Care Centre	Ophthalmology & Allied Sciences	26.11.2018
			Influence of Diabetes on Cataract: A Study in A Tertiary Care Centre	Ophthalmology & Allied Sciences	26.11.2018
23	Dr P S S Soujanya	Assoc Prof	Comparison of intravitreal triamcinolone and posterior subtenon triamcinolone in diffuse diabetic macular edema	Indian Journal of Clinical and Experimental Ophthalmology	2018
<b>Department of ENT-Publications</b>					
24	Dr S Rama Krishna	Professor & HOD	An Unusual Presentation of Impacted Foreign-Body in the Adult Larynx	Malla Reddy Medical College for Women Journal of Medical Sciences	Jan-June 2019
25	Dr Shalini Singh	Professor	Impact of cortical mastoidectomy on tympanoplasty for recurrent suppurative otitis media: a prospective study	International Journal of Otorhinolaryngology and Head and Neck Surgery	2020
			Correlation between nasal endoscopy and computed tomography in a tertiary care hospital	International Journal of Otorhinolaryngology and Head and Neck Surgery	2020
26	Dr Vinnakota Sriprakash	Professor	Impact of cortical mastoidectomy on tympanoplasty for recurrent suppurative otitis media: a prospective study	International Journal of Otorhinolaryngology and Head and Neck Surgery	2020
			Correlation between nasal endoscopy and computed tomography in a tertiary care hospital	International Journal of Otorhinolaryngology and Head and Neck Surgery	2020
27	Dr B Rachana Reddy	Asst Prof	An Unusual Presentation of Impacted Foreign-Body in the Adult Larynx	Malla Reddy Medical College for Women Journal of Medical Sciences	Jan-June 2019

S No	Name	Designation	Topic	Journal name	Year
<b>Department of Anaesthesia-Publications</b>					
28	Dr P Surender	Professor & HOD	Post dural puncture headache after spinal anaesthesia and associated factors	Journal of Medical Science and Clinical Research	2018
29	Dr. M Srinivas Reddy	Professor	Efficacy of pregabalin premedication prior to surgery in attenuating the adverse hemodynamic response to laryngoscopy and tracheal intubation	International Journal of Advances in Medicine	29.03.2019
			Oral clonidine versus intravenous fentanyl in attenuation of hemodynamic responses to laryngoscopy and endotracheal intubation: a comparative study	International Journal of Advances in Medicine	29.03.2019
30	Dr B Srinivasulu Reddy	Professor	Comparison of two doses of dexmedetomidine on hemodynamic parameters of patients undergoing spinal anesthesia	International Journal of Advances in Medicine	06.06.2019
			Efficacy of Ketamine Hcl and Tramadol Hcl (preservative free) by epidural route for lower abdominal surgeries	International Journal of Advances in Medicine	30.05.2019
31	Dr. V Sarada Devi	Assoc Prof	A Prospective controlled comparative study of haemodynamic responses, intubating conditions to laryngoscopy and tracheal intubation by using macintosh vs. Mc Coy blade laryngoscope	MRIMS Journal of Health Sciences	Mar-18
			Effect of Clonidine and Dexmedetomidine on Haemodynamic and Recovery Responses During Tracheal Extubation: A Randomised DoubleBlind Comparative Study	Indian Journal of Anaesthesia and analgesia	14.11.2018
			A Prospective Randomised Double-Blind Comparative Study of Bolus versus Fractionated Dose Injection in Spinal Anaesthesia for Pregnant Women undergoing elective Caesarean Section	Indian Journal of Anaesthesia and analgesia	31.08.2018
32	Dr G Rukmini	Asst Prof	Oral clonidine versus intravenous fentanyl in attenuation of hemodynamic responses to laryngoscopy and endotracheal intubation: a comparative study	International Journal of Advances in Medicine	29.03.2019
			Evaluation of effects of intrathecal clonidine as adjuvant to 0.5% bupivacaine (heavy) in lower abdominal surgeries	Panacea Journal of Medical Sciences	24.04.2021

S No	Name	Designation	Topic	Journal name	Year
33	Dr A Swathi	Asst Prof	Attenuation of hemodynamic response to laryngoscopy and intubation - The effect of Dilitiazem, A randomized controlled study	MRIMS Journal of Health Sciences	Jul-05
			Evaluation of effects of intrathecal clonidine as adjuvant to 0.5% bupivacaine (heavy) in lower abdominal surgeries	Panacea Journal of Medical Sciences	24.04.2021
34	Dr Santosh BS	Asst Prof	Does dexmedetomidine improve analgesia of superficial cervical plexus block for thyroid surgery	Indian Journal of Anaesthesia	2018
<b>Department of Radio Diagnosis-Publications</b>					
35	Dr Prashanth Kumar K S	Assoc Prof	Incidence of carotid artery atherosclerosis in patients with coronary artery disease in a tertiary care hospital	Scholars journal of applied medical sciences	2018
			Role of ultra sonography in cervical lymphadenopathy and its correlaration with cytopathological and / or histopathological features	Scholars journal of applied medical sciences	2018
			Role of modified CT severity index as a prognostic marker of acute pancreatitis	International journal of radiology and diagnostic imaging	2019
36	Dr Raja kollu	Assoc Prof	Maganetic resonance imaging of brain patterns in children with cerebral palsy - A hospital based indian study	International Journal of Anatomy, Radiology and Surgery	2020
			MRI evaluation of knee cartilage injury : Comparsion of 3D fiesta with the fat suppressed 3DSPGR imaging	Medplus international journal of radiology	2020
			Tubercular epididymitis and epididiymo - Orchitis ultrasound appearances	Medplus international journal of radiology	2018
			Intermediate weighted fast spin echo (IW FSE) MR imaging of hyaline cartilage defects of the knee : Comparsion with the fat suppressed three dimensional gradient echo (3D SPGR) imaging and arthroscopy	International journal of contemporary medicine surgery and radiology	2018

S No	Name	Designation	Topic	Journal name	Year
<b>Department of TB &amp; Chest-Publications</b>					
37	Dr G Kiran	Professor & HOD	Efficacy of early thoracoscopic debridement for syn-pneumonic pleural effusions in pediatric age group	International Journal of Advances in Medicine	24.12.2018
			Role of air way stenting (Duman- silica stent) in benign stricture trachea management	International Journal of Advances in Medicine	29.12.2018
			Outcome of pediatric non resolving pneumonias with the aid of pediatric flexible bronchoscopy	International Archives of Integrated Medicine	25.12.2018
			Role of thoracoscopic pleural biopsy in low Adenosin DeAminase pleural effusions: A hospital based cross sectional study	International Archives of Integrated Medicine	01.01.2019
38	Dr Vijayaendra raju P	Assoc Prof	To compare the efficacy of fluorescent microscopy versus ZN stain microscopy in detecting the pulmanary tuberculosis	International journal of contemporary medical research	2020
			A clinical experience of COVID-19 patients in tertiary care center	International journal of health & Clinical research	2020
<b>Department of Psychiatry-Publications</b>					
39	Dr K Suresh Reddy	Assoc Prof	A Cross-Sectional Assessment of vitamin D levels among patients attending psychiatry Out-Patient Department	Malla Reddy Medical College for Women Journal of Medical Sciences	jan-june 2018
			A study of criminality and psychiatric morbidity among prison inmates	The international journal of indian psychology	2020
			Clinical Effectiveness Of Baclofen In Treatment Of Alcohol Dependent Patients	Malla Reddy Medical College for Women Journal of Medical Sciences	Jan-June 2019
